## SOP FOR DISTRICT ADMIN TO USE WEB APPLICATION

The Department of Medical Health and Family Welfare, Government of Uttar Pradesh has developed and launched the application "MERA COVID KENDRA" application.

The application will enable the citizens to locate Covid Testing Centers around a default vicinity of 5 kilometres. The Field User of the Health Department shall be responsible for adding the Covid Test Centers on the application by tagging the Geo location. The District Admin shall be responsible for adding/verifying the test center details and activating them.

The platform consists of 3 applications as mentioned below

- MERA COVID KENDRA USER MOBILE APP
- FIELD USER MOBILE APP
- DISTRICT ADMIN WEB APP

## The following SOP details the roles and responsibilities of the District Admin on Web App

- 1. Logging on the web portal:

b. Login with the credentials provided by the Department. Home Screen (Dashboard will open)
